

August 22, 2024 HPRS Board Meeting Highlights

The Highlights correspondence is aimed at providing timely information to our membership about HPRS meetings, since board minutes cannot be approved and posted until after the next board meeting. Below are the highlights from the August 22, 2024, HPRS Board meeting.

Trustee Election

As a result of the 2024 election, Major Matthew L. Them was officially re-elected as an employee-member trustee and was sworn in during the August board meeting.

Election of Chair and Vice-Chair

Major Matthew Them was elected as the board chair, and retired Major Darryl Anderson was elected as the vice-chair.

Actuarial Update

Ohio Revised Code (ORC) 5505.121 requires HPRS to be able to amortize its unfunded actuarial accrued liabilities within a period of 30 years, and ORC 5505.12 requires an annual actuarial valuation of HPRS's pension assets, liabilities, and funding requirements. These statutes also require periodic reviews of the assumptions used in the annual valuations of our system.

Foster & Foster Actuaries and Consultants presented the December 31, 2023 final actuarial valuation for HPRS. The assumption and benefit changes approved produced a 19-year amortization period and a funded ratio of 74.5% for the pension system. The health care fund is projected to remain solvent until 2044.

Total Fund Update

One of the most important responsibilities of the board is making investment decisions. Investment returns are critical to the viability of our system, as they provide for more than 2/3 of the benefits paid. The board spends a considerable amount of time working with its investment consultant planning, researching, and discussing ways to enhance our portfolio. Year-to-date returns show an estimated gain of 7.0% as of August 21st. HPRS assets are currently at approximately \$1.136 billion.
