

MEDICAL MUTUAL®

Online Tools from Medical Mutual: Smart, Simple, Safe

Online tools from Medical Mutual make your personal health insurance information accessible to you 24 hours a day, no matter where you are.

My Health Plan

- Access real-time account information and manage your out-of-pocket spending
- Find doctors and hospitals and compare quality and satisfaction ratings
- Estimate costs – know before you go and save money
- Take advantage of discounts
- Personalize your online experience

Go paperless today

Receive your Explanations of Benefits (EOBs), certificate books and other documents electronically. Enjoy the benefits of being paperless:

- Always know where to find your documents
- Get your information faster
- Keep your health information secure – it's safer than mail

Download the Mobile App

- Use our most popular My Health Plan features when you're on the go
- Search MedMutual today to find our free app on iTunes® or Google Play™
